I acknowledge that I have been advised by Lee County Housing Development Corporation (LCHDC) that LCHDC has an ownership interest in certain properties that I may qualify to purchase. However, I have been informed that I am not obligated to purchase any of homes that LCHDC has interest in, in order to receive counseling services and that I am free to purchase other homes as I choose. In addition, I also understand that even though the counselor may provide me with information on lending products from specific lenders, I am not obligated to utilize these specific lenders or lending programs in order to receive counseling services.

I also acknowledge that I have been informed that I even though I submitted an application to purchase a home through the Neighborhood Stabilization Program that I am not required to purchase a home through that program in order to receive counseling service from LCHDC.
