

QUEEN ANNE RODRIGUEZ LEHIGH OAKS

Queen gets her keys!!

Welcome Home Queen!

Get Cooking in your new kitchen!

Queen applied to Lee County Housing Development Corporation in August of 2001. She had been working for the Lee County school board as a Teachers Assistant for the past 21 years. When she came in for her initial interview, she told us that she has been dreaming of owning her own home but at her age (49) and her low income she never thought it was possible. Well after working with us for a year, she cleaned up her credit and on September 17, 2002 she closed on her brand new 3 bedroom, two bath, two car garage home!

Congratulations Queen!
